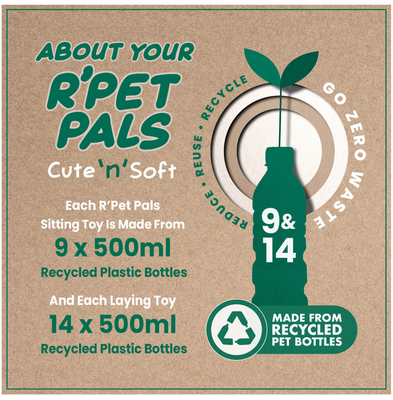
## *Introducing R'Pet Pals...*

*THE CUTEST PLUSHIES WITH A PURPOSE!*



What makes them really special is they're crafted from 100% recycled plastic waste, like plastic bottles which can end up in landfill. By choosing our wonderful R'Pet Pals you're helping to reduce landfill and combat ocean waste.

Meet the adorable gang from our brand new plush toy range - there's a cat, dog, bunny, lamb, highland cow, elephant, giraffe and bear - and they're not just cute, they're eco-warriors. Play responsibly, play sustainably and join the cuddle revolution!

Pre-order from our full range of R'Pet Pals recycled soft toys, with 8 cute sitting animals and 8 adorable laying animals available today.
