## Exciting News Update!

### WE'VE MOVED TO A NEW WAREHOUSE

Lesser & Pavey are delighted to announce that we've moved our warehouse to new premises. We're always looking to improve our products and services, and this is another important step which allows us to do so.

We wanted to inform you of this move because **some stock will be temporarily affected**, but would like to reassure you this will be **only for a short period of time**. You may also notice some ranges show as 'out of stock' over the coming days whilst stock is being transferred.

It's important to note that **you can continue to place orders** as usual, and our sales team are here to help keep you up-to-date with your order as well. Furthermore, our website is constantly being updated, so as more stock arrives at our new location, this will be reflected in our stock availability online.

We thank you for your understanding whilst we're relocating our warehouse. To reiterate, this is only for a short time, and we look forward to continuing doing business with you.
